What's an IML?

The 2018 Texas Trail Roundup is a step in having our walking weekend sanctioned by the IML, which we hope will happen in 2020. The IML, a "cousin" to the IVV and the AVA, promotes health and encourages friendship between people all over the world by promoting and encouraging multi-days walking events internationally. They now have 27 participating countries, each one sponsoring an event.
