

**AMERICAN VOLKSSPORT ASSOCIATION
EXECUTIVE COUNCIL AGENDA ITEM**

Introduction of Business:

I move that:

Paragraph 4.11.II.C of the Policy Manual be amended to replace "will" in the first sentence with "could"; and, replace "will" in the second sentence with "may."

Summary of Proposed Action:

This change will remove late submission of participation reports from automatic placement of clubs in not In good standing status.

This will afford Regional Directors, and Headquarters, an opportunity to resolve club deficiencies and/or the identification and consideration of extenuating circumstances before a club is labeled not in good standing and add legitimacy to past practice.

A helpful approach to dealing with *our* problems will make everybody, clubs, AVA leadership and administration, feel good.
