Subject: 12th Int'l IVV Olympiad Turkiye 2011

**TURKISH FRIENDS OF
ENVIRONMENT and NATURE
FEDERATION**

12th INTERNATIONAL IVV OLYMPIAD TURKEY

**19 – 23 October 2011
ANTALYA, TURKEY**

www.ivvturkey.org

As you know, the 12th International IVV Olympiads will be held in Antalya, Turkey between the dates of 19-23 October 2011.

Antalya, with its wonderful environment, pretty towns, ancient cities, unique ruins, inns, caves, waterfalls, canyons, shining sun, deep blue sea and mountains covered with pine trees, is ready to welcome you for an unforgettable visit.

We, the members Turkish Friends of Environment and Nature Federation, are expecting over 25.000 participants from all over the world and our official organizing agency Alabanda Tourism Co. Inc. (www.alabanda.com.tr) is working hard to reach this target. In order to use all services of the IVV organization without any complication (i.e. shuttle services between hotels and Olympiad village/event venues, selected restaurants, special tours, etc), please take into consideration the fact that all arrangements such as registrations, hotel and flight bookings, shuttle services, tour programs, etc. should be made through Alabanda Tourism Co. It is highly recommended to contact Alabanda for all your needs and requests before and during your stay in Antalya. Also you can use and follow our web site www.ivvturkey.org for your bookings and news on IVV Turkey 2011.

We are still working on the details of the organization and you'll be notified when all agreements and preparations are finalized.

We are looking forward to welcome you in Antalya,

With Nature and Sun Greetings to all our IVV Friends in all countries of the World,

Feridun Tabur

President
