Real Testimonials from Real Customers:

I just want you to know that I am absolutely thrilled with the "Twisted Sweet Gum" walking stick which I received from you. I use it every day and every day I receive many compliments on the beauty and utility of the stick.

I just sent you some photos of our students using the walking sticks. I'll also post on Facebook. As you can see by the pictures, we had a lot of snowfall last week and the students were ecstatic to go for a hike with the Brazos Walking Sticks. We had a blast. They said "Wow! These are awesome." They definitely appreciated them and found them very useful. We'll include a link to Brazos on our web site.

Thank you again!
