

AMERICAN VOLKSSPORT ASSOCIATION EXECUTIVE COUNCIL AGENDA ITEM

Introduction of Business:

I move that:

No later than the date of implementation of electronic event participation reporting that Paragraph 4.10.1 of the AVA Policy Manual be changed to read:

Electronic Event Participation Reports and associated IVV stamp(s) must be forwarded to AVA National Headquarters within the established time limits for a club to remain in good standing. After action fees must be paid within the established accounting guidelines.

Summary of Proposed Action:

This motion inserts the word "Electronic" and deletes "(forms provided by AVA)" in the existing paragraph to accommodate conversion from paper to electronic event participation reports.
