

**AMERICAN VOLKSSPORT ASSOCIATION  
EXECUTIVE COUNCIL AGENDA ITEM**

Introduction of Business

I move that:

**Paragraph 4.12.II.D of the AVA Policy Manual be changed to read**

**The IVV Event Stamp may be placed in the IVV Distance Record Books each time an individual completes the distance of an event. The IVV Event Stamp may be entered in the Event Record Book each day and individual completes the event.**

Summary of Proposed Action:

- This motion conforms to recently announced IVV policy.
- The need to use the + slug is eliminated.
- The burden on Headquarters staff to monitor Event Record Books for duplicate/multiple stamp use is lifted.
- Additional trust is placed in the honesty of YRE participants.
- The makers of this motion do not care to speculate on the possible impact on Traditional Events, sale of Event Record Books, or participation fees. We do hope, however, that it will encourage more volkssporters to participate on a daily basis for their physical wellbeing.
