

COME JOIN US AS WE WALK IN THE FOOTSTEPS OF CIVIL WAR HISTORY

This new program will be available from Jan. 1, 2003 through Dec. 31, 2005

The Civil War Walking Program is designed to support the American Volkssport Association. The available book is an official AVA Book designed to place the AVA credit stamp into, in addition to placing the stamp in your event and distance books. The cost of the program is \$6.00. Half of the proceeds will be donated to the AVA.

The events available for this program are listed on the York White Rose Wanderers web site at www.ava.org/clubs/york. A shortened list which does not include the history is available for printing from the web site.

The award for this special program is a certificate and a 4 inch, 4-color patch similar to the patch shown at the bottom of this page, but your greatest reward will be viewing the history our country has preserved for it's generations of citizens.

In order to complete this program you will need to have participated in 15 different events from the posted lists of scheduled, year round and seasonal events. All stamps must have a date between 2003 and 2005. These events can be from the state/states of your choice. I have included on the lists, Civil War Battlefields, sites of significance and sites of unusual happenings during the Civil War Era. I have endeavored to include events from as many states as possible. If you know of a walk which qualifies and is not on the list please contact me.

By popular request a "15 MORE EVENTS" booklet and patch are now available. Please state which booklet you are requesting.

If your club has a scheduled event which you feel may qualify for this program please submit it to me a minimum of 4 weeks in advance of the event date. If it is submitted later than four weeks I cannot guarantee that I will have the time to qualify it. For a scheduled event I will need: event date, sanction number, sponsoring clubs web site, POC's name, phone and e-mail address. I will also need a brief history of the Civil War sites that the event trail will pass. I will need the same general information for a YRE which is submitted. I appreciate your cooperation.
