Club Name: \_\_\_\_\_ Club AVA Number: \_\_\_\_\_

Event Number: \_\_\_\_\_ Event Date: \_\_\_\_\_

<i>Patches Requested</i>	<i>Patches Shipped</i>	<i>Patches Returned</i>	<i>Patches Sold</i>

- These patches are being shipped on consignment per a request from your club.
- Your club will be billed for all patches not returned with the After-Action Report of the event for which they were consigned (see below for YRE/Seasonal Events). All patches must be returned within 30 days after the event date (same deadline as the after-action report). Damaged patches will be billed to the club.
- Your club will be billed at the rate of \$2.00 for each patch sold. The girls earning the patch should be added to your After-Action Report under the “Awards” column. No girls may walk for free and earn the patch.
- Girl Scout patches may NOT be used as “B” awards under any circumstances.
- If your club purchases all of the patches and does not sell them, they may NOT return them at a later date for credit. All requests for credit must be on this form and it must be returned with the After-Action Report for the event along with any unsold patches.
- Your club may choose to have the Girls Scouts walk one of your Year Round/Seasonal trails. If you use a Year Round/Seasonal event, you return ONLY the patches with your consignment sheet within 30 days of the scheduled walk date. Do not send in your After-Action Report until the appropriate time for that quarter.
