

f. Renewing A Year Round Event. From the Year Round Events Listing, find the event you wish to renew and click on the word Renew to call up the Event Renewal Page shown in Figure 16. Except for the Start and End Date fields, all of the information from the previous year's event sanction is shown in the appropriate boxes. Enter the new start and end dates. Review the remaining information to assure that it is still accurate. When your review is complete, click on the Submit Query button. Clicking the reset button will reset all information to what was shown when the page first appeared.
